Since its Creation in 2021, HEXAGONE MMA has established itself as a Benchmark League in the European Mixed Martial Arts Landscape. With French Roots but International Ambition, the Pournul Brothers' Organization has built its Success by going from City to City, to offer the Best of MMA in Settings as Prestigious as they are Iconic.

From the Zénith de Paris to the Ancient Theater of Orange, via Dubai, Germany and the Netherlands, HEXAGONE MMA has had a String of Successes, attracting the Biggest Global Broadcasters, such as DAZN and TNT Sports, the English Leader in this Matter.

A showcase where Key Fighters express Themselves Today, including Internet Stars GregMMA of Matthieu Letho Ducios, Former International Wrestler Anthony Dizy, and even Knockout Specialists Mehdi Ben Lakhedhar of Wilson Varela.

Mixed Martial Arts (MMA) is a Full-Contact Combat Sport based on Striking, Grappling and Ground Fighting, incorporating Techniques from Various Combat Sports from around the World. The First Documented Use of the Term Mixed Martial Arts was in a Review of UFC 1 by Television Critic Howard Rosenberg in 1993.

Originally promoted as a Competition to find the Most Effective Martial Arts for Real Unarmed Combat, Competitors from different Fighting Styles were pitted against One Another in Contests with relatively Few Rules. Later, Individual Fighters incorporated Multiple Martial Arts into their Style. MMA Promoters were pressured to adopt Additional Rules to increase Competitors' Safety, to comply with Sport Regulations and to broaden Mainstream Acceptance of the Sport. Following these Changes, the Sport has seen increased Popularity with a Pay-Per-View Business that rivals Boxing and Professional Wrestling.
